

# CANARA COLLEGE

Mahatma Gandhi Road, Kodialbail, Mangaluru – 575 003, D. K. District, Karnataka, India

Managed by Canara High School Association, Mangaluru

Re-accredited by NAAC with 3.21 CGPA at 'A' Grade (Cycle IV - 2022)

Recognized under Section 2(f) & 12(B) of U.G.C. Act, 1956 and Affiliated to Mangalore University

*Creating Educationally Empowered;  
Culturally Vibrant; Globally Competent &  
Socially Responsible Individuals*

## PROSPECTUS 2022-23

Under Graduate Programmes

# The Fountain of our Inspiration

## Our Revered Founder

**Late Sri Ammembal Subba Rao Pai  
(1852-1909)**

## The Foundation of Truth and Sincerity

A rare glimpse of  
Mahatma Gandhiji laying  
the foundation stone at  
Canara Institution

An institution grows in the shadow of the founder. He was a man, take him all in all, I shall not look upon his like again. It was on November 19, 1852 a legend christened Ammembal Subba Rao Pai was born at Mulky near Mangaluru. This star went ahead and created a universe of its own which emanates radiance in the form of talented individuals and shall continue to emanate this radiance for time immemorial.

As a boy, Subba Rao was known to be mischievous, mediocre in studies, fond of play, a ringleader among the boys. But he was deeply respectful towards his elders and his esteem for his father amounted to reverence.

A lawyer and a banker by profession, an educationist and social reformer by temperament, he was the foremost among the pre-independence luminaries who shaped the future of Dakshina Kannada District and of the GSB Community. His concern for social uplift gave birth in 1891 of the Canara High School, Mangaluru, the century old precursor to the conglomeration of Canara Educational Institutions of today; while his spirit of enterprise gave birth to yet another national institution, the Canara Bank, in 1906.

Sri Subba Rao's versatility was not confined to the legal profession alone. Along with his professional work in the mornings, the evenings were devoted to social work. He kept himself fully informed about the fast changing world. His zeal and love for mankind touched life at all points. He was deeply saddened at the lethargy of the people towards education, and realized that there was no future for the people without widespread general and higher education in professional and technical courses. Because of his enormous efforts, our young men were seen holding high offices both in the Engineering and Medical services at then.

The seeds sown by our founder more than a century ago have grown into huge tree providing shelter to the society in terms of education, employment opportunities and financial support; thus contributing to the welfare, prosperity and progress of the society. A visionary far ahead of his times and life, Ammembal Subba Rao departed to the heavenly abode on July 25, 1909. Though he shrugged off his mortal remains, he became a living soul and his philanthropic zeal continues to touch the lives of innumerable folks even today.

The Institution relentlessly draws enormous inspiration from its Founder who continues to be the beacon of all our endeavors to lead us on to the path of righteousness.

**"If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you!"**

# From the Heart of the Head

*“To accomplish great things, you must not only act, but also dream,  
not only plan, but also believe.  
Opportunities don't happen. You create them.  
Hence, do something now; your future self will thank you for later!”*

Dear aspirants of higher learning,  
Season's greetings to all!

Having successfully completed Higher Secondary studies, you are now at the threshold of choosing a career that will determine what you will do for most part of the rest of your life. With a wide range of career options open for you, you have an interesting plethora to choose from.

While appreciating your keen interest in our Institute, we extend a warm welcome to CANARA COLLEGE which is into the noble task of imparting quality education for righteous life since 1973. The Institute offers a medley of programmes viz., Bachelor of Science (B.Sc.), Bachelor of Computer Applications (B.C.A.), Bachelor of Commerce (B.Com.) Regular, Bachelor of Commerce (B.Com.) Professional with Coaching for CA, CS & CMA, and Bachelor of Business Administration (B.B.A.) and a post graduate programme in Commerce (M.Com.).

We at CANARA firmly believe in giving our learners strong values along with a set of wings that may carry them far and wide. Hence, we prepare and mould them first as social beings and then scholars.

The unprecedented pandemic has led to an unprecedented shift ushering unprecedented opportunities, while sparing none. The New World is dawn; the New Normal is the order and becoming a New Me is the need of the hour. This has also evidenced a new ray of hope with the introduction of NEP 2020 trying to meet the needs of 21<sup>st</sup> century by providing creative combination of courses, cutting edge curriculum, flexible choices and multiple entry and exit options during undergraduate programmes. In and all, the NEP 2020 strives

to infuse new blood into the system with systemic changes to our education system.

The year 2023 earmarks the Golden Jubilee of the Institute's illustrious existence. As we leap forward to commemorate 50 glorious golden years of service in educating for Righteous Life, it is indeed a matter of immense pride that CANARA COLLEGE marks yet another milestone of having been reaccredited by NAAC with 3.21/4 CGPA at 'A' Grade in its Fourth Cycle of A & A (2022). Progressive outcome of the Accreditation, University Ranks, accolades and laurels brought by our students stand testimony to our incredibly splendid journey and also provide a motivation for us to further elevate our bar of excellence; thereby strive continuously in the journey of quality.

The enlightened Management, well-qualified dedicated mentors and adequate infrastructure that are conducive to learning will help you realize and unleash your potentials. Whatever turn your life might take, I am confident that your ambitions will find its bearing at this temple of learning.

In all our efforts, we seek the Divine Grace to keep us on the path of virtue, courage and wisdom. Let the mission and vision of the Institute be the guiding light to all. May our legendary Founder continue to inspire and intercede on our behalf and may the ensuing academic year be a blessed and grace-filled experience to all of us.

Yours in CANARA,

**Dr. Premalatha V.**  
Principal

# The Genesis

## Our History and Origin

June 30, 1891, is a golden letter day in the history of Canara, because it was on this auspicious day that the seed of "CANARA", an esteemed Educational Institution was sown by that great legendary soul, Sri Ammembal Subba Rao Pai who along with four visionaries viz., Sri U. Srinivas Rao, Sri B. Padmanabha Baliga, Sri B. Vaman Baliga and Sri Arkal Vasudev Rao accomplished this noble task. With a view to encouraging the education of girls, he started the Canara Girls High School, indeed a revolutionary step considering the prevalent values and attitude of the people towards girl's education at that time. This initiative was backed by measuring out a fistful of day's rice, set apart by ladies of the area. The proceedings of the same were used for the noble cause of education. This was called as "Mushti" (Fistful) Fund.

The decision to venture Canara College was in response to the growing demand for collegiate education at then from the old students and well-wishers of the Canara High School Association, and a general need to have an institution of higher learning which could impart qualitative education at affordable cost in Mangaluru. The encouraging support of the philanthropic public of Mangaluru soon resulted in the establishment of Canara College. The foundation stone of the College building was laid on July 12, 1972 by Dr. A. P. Pai, Senior Life Member of the College Committee. The College is grateful to its past President, the Late U. Gopalkrishna Nayak, who was instrumental in the edifice of the new buildings for the three High Schools, Junior College and the present First Grade College as well. The College building was declared open on July 04, 1973 by Mr. Holck Larsen, the then Chairman and Managing Director of Larsen & Toubro Ltd.

## Our Milestones

Milestones are significant events in the lifetime of every institution be it in terms of achievements or the number of years of existence. Canara has had many milestones to celebrate and also opportunities to introspect on the past. The rush for admissions in the college had induced the Management to expand in different fields of studies. The Canara Group of Educational Institutions today with its fifteen institutions imparts education from Pre-Kindergarten (Pre-KG) to Post Graduate (PG) studies. As we progressively march ahead in this noble vision, we are glad to remark that Canara College is a name to reckon within the district of Dakshina Kannada as Canarites walk with heads held high and feet grounded firm on the sands of knowledge. Like a tree that depends on continuous supply of life from earth, the Institution has been sustained by its proud alumni associates, generation after generation and of course, by Divine grace.

## About the Institute

Canara College, Mangaluru is an integral part of the edifice having an illustrious history of over 130 years, functioning under the aegis of Canara High School Association, Mangaluru; pioneered by a great visionary far ahead of his times, Late Sri Ammembal Subba Rao Pai. Leaping forward with its noble vision to prepare educationally empowered, culturally vibrant, globally competent and socially responsible individuals, it is a prestigious institute for higher learning, well-acclaimed to have its deep rooted existence since 1973, with its moral ideals, rich core values and fusion of cultural ethos. True to its motto of "Educating for Righteous Life" and philosophy of "Commitment to imparting quality education at affordable cost", it is located centrally in the coastal educational hub of Mangaluru city and conveniently accessible through road and rail. The Institute is recognized under the Section 2(f) and 12(B) of the U.G.C. Act, 1956, approved by the Government of Karnataka, affiliated to the Mangalore University and reaccredited by NAAC with 3.21 CGPA at 'A' Grade (Cycle IV - 2022).

It offers undergraduate programmes viz., Bachelor of Science (B.Sc.), Bachelor of Computer Applications (B.C.A.), Bachelor of Commerce (B.Com.) Regular, Bachelor of Commerce (B.Com.) Professional with coaching for CA, CS & CMA, Bachelor of Business Administration (B.B.A.) and a post graduate programme in Commerce (M.Com.)

# The Lashing Strength of Canara Edifice

## Governance and Leadership

Canara has had a major role to play in the making of Dakshina Kannada into one of the most educated districts in the State. The success of any institution depends largely upon its able governance and adept management. The CANARA edifice firmly stands on the founding principles of progressive leadership laid down by its legendary pioneer, a great visionary and a philanthropist, our revered founder Late Sri Ammembal Subba Rao Pai. Leaping forward with his noble ideals and philosophy, a galaxy of visionaries on the governing board of the Canara High School Association steer the Canara Group of Institutions and realize the dreams and seeds sown by our revered Founder.

## Our Stalwarts Speak

CANARA has honed and fine-tuned a learning and life-skilling system that has been envied and benchmarked across the region for many decades. An investment made here on your education will certainly reward you with rich dividends through life. Irrespective of your background or calibre, you are groomed and nurtured in a way that can stride you into the competitive world, more confidently, responsibly and independently. Thus, being an excellent destination for quality education, we wish and hope that Canara will contribute significantly to make you reach the pinnacle of your prospective career.

## The College Crest

To place before you the aims of your education in this temple of learning and the heights to which you must aspire and grow, you have the crest of the Institution.

The vision of our Pioneers was to provide complete education which would integrate the ancient Indian ethos with modern, scientific and technological forefront. The Vedic Mantra "Vidya Kamadugha" meaning "Vidya is a Kamadhenu", which gives you whatever you desire was a crystallization of this ideal. This indeed led to the embracing of the recumbent Kamadhenu as pictured in the Puranas as the crest of the Institution. The Kamadhenu rests under the Kalpataru with all the signia of royalty like the crown, the elephant, and the umbrella as depicted in the tree. Its four legs symbolize the four Vedas, and it treats the four Purusharthas. Also seen in the crest is the citation from the Upanishad as uttered by the Guru to the departing shishya "Satyam Vada Dharmam Chara." This instruction from the Guru provides a rule of conduct that even today cannot be improved upon.

We hope your life measure up to the expectation of our crest and motto.

## Our Vision

"To be an Institute of the highest repute and produce good educated citizens who shall strive and cater to the needs of mankind."

## Our Mission

"We firmly believe in instilling life-long learning experience that enables a potential knowledge seeker to lead a righteous life by inculcating faith in divinity, infusing love for knowledge, thriving strength of mind, devoted to serve mankind, striving to self-control which are core to one's holistic transformation."

"We affirm to create and sustain a learning environment which is value-centered, intellectually challenging, aesthetically inspiring and culturally vibrant."

## Our Motto

Where there is education there is progress and upliftment. It is not necessary to take up severe penance in order to attain knowledge, but is enough if one performs his duties with utmost righteousness and dedication to God. With a motto of "Educating for Righteous Life", every student who passes through the portals of this temple of learning must aspire to be the life-long learners with a blend of moral conduct so that it can enable them to win highest knowledge and thus lead a righteous life. Go forth, live according to this because nothing is supreme than the 'Law of Righteousness'.

# Canarite Ideals

## Our Objectives

- ★ To educate for righteous life.
- ★ To impart qualitative, value-based, and character-building education to its aspirants.
- ★ To instill in our students the qualities of self-discipline, commitment and integrity and make them worthy citizens of the nation.
- ★ To prepare our students for rich personal and professional lives coupled with positions of leadership, service and citizenship in a global context.

## Our Philosophy

"Commitment to quality education for all at affordable cost."

## Our Quality Statement

"Committed to Innovate, Inspire and Impact in creating educationally empowered, culturally vibrant and globally competent humans who are able to lead a righteous life."

## Our Core Values

The Institution strives upon instilling the following five (Pancha Sheela) Core Values in every Canarite.

## Credos

Thus a Canarite,

- ✧ Cultivates a passion for life-long learning and an inspiring experience to lead a righteous life.
- ✧ Elicits persistent perseverance in pursuit of perfection and excellence in all spheres of life.
- ✧ Is committed to uphold moral, spiritual and ethical values and social responsibility as a responsible professional and worthy citizen.
- ✧ Is an effective problem solver who approaches the challenges with curiosity, critical thinking and creativity.
- ✧ Takes pride in being a proud Alumnus and cherishes the prolific learning experience in this Institution.

# Campus and Learning Life at Canara

On opting to be a Canarite, you will surely feel your home away from home for the next three years of graduate studies. With such a diversity of folks here you will make an amazing network of friends, live in a supportive academic environment and have a life changing righteous learning experience.

Education and continuous learning boost morale, provide hope, foster creativity, empower leaders and contribute to the all-round development with affirmed success. Our focus is to back you during your college experience and support your personal and academic needs. We encourage our students to embrace every opportunity and immerse themselves in a meaningful college life. We foster a positive culture and strong sense of community, where they contribute generously to daily college life in a nurturing, scholarly environment characterized by learners who are compassionate, vital, inquisitive and aspirational. Our extensive activities and programmes are student led and reflects their interests towards it. We encourage learners who are creatively curious, strive to experiment and innovate new things on both academic and non-academic fronts.

Our annual flagship events which every Canarite eagerly awaits and yearns for is yet another testimony to their delighting learning experiences. It offers an apt platform to unleash their latent potentials aiming to bring out the best and ultimate in its aspirants. The institution believes and ensures that no stone would be left unturned to ensure it reaches the highest pinnacle of success. The hard work continues and the dreams only grow bigger.

With such vibrancy within the campus, inspired by the ideals and legacy of our visionary Founder; we hope that you find an academically fruitful, proficiency developing, personally elevating and pleasurable learning experience at Canara...

## About the Affiliating University

Our College is affiliated to Mangalore University which was established in 1980 has grown in stature and is today recognized as one of the premier Universities in the country having its jurisdiction over the districts of Dakshina Kannada, Udupi and Kodagu; accredited by NAAC. The University campus spread across 350 acres is located at Mangalagangothri, Konaje on the top of the hill, south-east side of the coastal town, 21 Km away from Mangaluru.

The University has 28 Departments offering 40 PG programmes, 30 Ph.D. programmes and 211 affiliated colleges. Mangalore University stands 24<sup>th</sup> among the top 50 institutes of higher learning in the country. Being a University with a difference, it has created a niche for itself in the academic map of the country and beyond. Great Scholars, Scientists, Researchers have found their roots at Mangalore University. The campus of the University is recognized as a "Green Campus" and has secured the first place nationally in a row in 2020 and 2021.

# Explore your Career Options and make a Right Choice

The Institute offers following regular undergraduate programmes.

## U.G. Programmes Offered

B.Sc.

B.C.A.

B.Com. Regular

B. Com. Professional

B.B.A.

Courses /  
Subjects  
as prescribed  
by Mangalore  
University

## Programme-wise Details

### 1. Bachelor of Science (B.Sc.)

The B.Sc. programme forms the basis of Science and comprises of disciplines like Physics, Chemistry, Mathematics, Computer Science, Botany and Zoology. Pursuing a B.Sc. degree is most beneficial for those aspirants who have a strong interest and background in Science and Mathematics. It is also beneficial to those who wish to pursue multi and inter-disciplinary science careers in future.

### 2. Bachelor of Computer Applications (B.C.A.)

B.C.A. is one of the popular programmes among the aspirants who wish to delve into the world of computers and are willing to build their career in Information Technology (IT) field. Apart from theoretical classes, computer lab practical sessions, projects and industry training also forms an integral part of the curriculum.

### 3. Bachelor of Commerce (B.Com.) Regular

The Bachelor of Commerce is a programme which is designed to develop business acumen, analytical skills, financial literacy and managerial skills amongst its aspirants. The programme aims to build in student's competence through intensive understanding and advanced study in streams like Finance, Accounting, Cost Accounting and Taxation, later allowing them to specialize in a chosen area.

### 4. Bachelor of Commerce (B. Com.) Professional with Coaching for CA, CS & CMA

Along with the regular B.Com. programme, students are offered intensive coaching by professionals for CA, CS and CMA. It is not a separate degree, but regular B.Com. with additional features.

### 5. Bachelor of Business Administration (B.B.A.)

With the change in the economy the demand for trained business management professionals sees an upswing. B.B.A. is a versatile professional programme which highly focuses on developing of business skills and application of managerial skills in the field of business. The programme enables its aspirants to gain essential knowledge about corporate world and also the fundamentals of administration. B.B.A. is a perfect click if you are an entrepreneurial aspirant or willing to be a management professional. Above all it focuses its aspirants to be a job creator rather than a job seeker.

# Knowledge Niches

## Implementation of NEP 2020

In consonance with the National Education Policy (NEP) 2020, the Mangalore University has implemented the multidisciplinary and holistic education in all the under-graduate programmes and the consequential post-graduate programmes, with multiple entry and exit options with multiple Certificate / Diploma / Degrees in the Faculties of Arts, Science, Commerce and Management to replace the present undergraduate degree programmes effective from the academic year 2021-22.

The categories of courses of study include Languages, Ability Enhancement Courses (AEC), Skill Enhancement Courses (SEC), Foundation Courses, Major Discipline Core Courses, Major Discipline Elective Courses, Minor Discipline Courses, Open Elective Courses, Project work / Dissertation / Internship, Sports, Cultural and Extension Activities.

## Examination

The University conducts the theory and practical examinations at the end of every semester, ordinarily during October / November for odd semester and during April / May for even semester, as prescribed by the scheme of examination.

## Continuous Internal Evaluation (CIE)

Assessment of performance is an integral part of the teaching-learning process. As a part of sound educational strategy, continuous formative evaluation and an end-point summative evaluation with 40:60 pattern is evolved to assess the learning levels of the students and attainment of outcomes. The holistic performance of the student is continuously examined through a range of components such as Internal Tests, Assignments, Quizzes, Case Study, Seminar / Presentations, Practicals, Viva-Voce, etc.

## Our Intellectual Mentors and Constant Motivators

The core strength of our institute lies in its intellectual capital of evolving highly accomplished faculties who are renowned, experienced and committed both for the new knowledge they create and for their ability to pass on this knowledge.

## Teaching and Learning Pedagogy

Effective learning requires appropriate curriculum, an apt pedagogy, continuous formative assessment and adequate student support. While every effort is made to contextualize curriculum through meaningful pedagogical practices viz., active, cooperative, collaborative and experiential learning pedagogies, which determine learning experiences directly influencing learning outcomes. Thus, a faculty identifies and uses the pedagogical approach that is best suited to a particular course and student.

### Classroom Methodologies / Internal Exposure

- Interactive cum participative lectures
- Use of ICT in teaching-learning process
- Brainstorming, Case Analysis, Scenario Analysis, Group Discussions, Debates, Role plays
- Simulated games and Group exercises
- Innovative Assignments with hands-on applications
- Bridge Course, Subject Quizzes
- Student Seminars and Presentations
- Flipped Classroom / Student Instructor

### Learning Beyond Classrooms / External Exposure

- Simulated / Research-based Projects
- Corporate, Field and Study Visits
- Participation in Conferences, Seminars, Workshops
- Capacity Building cum Development Programmes
- Wide-range of Extension Activities and Community Outreach Programmes
- Industry-Institute Interface through regular invited Guest Lectures and Expert Talks
- Finishing School Programmes
- Add-on / Certificate Courses to widen the horizons and sharpen skills
- Personality development initiatives and Skill enhancement activities conducted by various subject and co-curricular Associations.

The NEP 2020 Scheme provides multiple exit options with Certificate, Diploma, Bachelor and Honors Degree at the completion of First, Second, Third and Fourth years respectively. Moreover, Outcome Based Education (OBE) practices are used to design the curriculum. All in all, the Four-Year Choice Based Credit System Semester Scheme makes the product of a University at par with the global practices in terms of academic standards and evaluation strategies.

# Our Unique Attributes

1. Strategically located in the heart of the city with good connectivity and proximity.
2. Deeply rooted by the ancient ethos and inspired by the illustrious legacy of our Visionary Founder.

# Our Resources and Facilities

## College Office

The official timings of the College Office is as follows :

On Monday to Friday - 9:00 AM to 1:00 PM and  
2:00 PM to 5:00 PM

On Saturday - 9:00 AM to 2:00 PM

## Library, Reading Room and Reprographic Services

Library as a Learning Resource Center with its motto of "Read every day and Lead a better life" strives to cater to the information needs of a learner that is fundamental to functioning successfully in today's information and knowledge driven age. The College has a full-fledged, spacious Library, Reading Room with e-Library facilities and in-house reprographic services.

## Science and Computer Laboratories

The College has well-resourced science laboratories with adequate and latest equipments. The Department of Computer Science and Applications has well maintained, state-of-the-art, air-conditioned computer laboratories equipped with the advanced technology, peripherals, latest software with ample table space.

## A/c Seminar Hall

Centrally air-conditioned seminar hall with a seating capacity of 150 is housed within the campus. It is well-equipped with incandescent lights, good acoustics and audio visual systems. Events such as common meetings of students and faculty members, departmental activities, seminars, training programmes, conference, guest lectures, celebrations, gatherings, etc., are organized here.

## PG Facility

With a view to assist especially the outstation students in providing them with a comfortable, safe and secure stay, SKANDA NILAYA, PG facility exclusively for female students is available which is located at a walk able distance from the College. It also has an in-house mess which nourishes them with good food.

## Canteen Facility

The College has an in-house Canteen facility which nourishes with hot and cold beverages, snacks. Different varieties of light refreshments and meals are served at reasonable and affordable price.

## Sports and Games

As healthy mind resides in a healthy body, the College is committed to promote, encourage and support wide-range of sports and games activities both within and outside the College for the holistic development of the students.

## Multi-Gym

Aiming at the holistic well-being of the students, a well-resourced multi-gym provides fitness enthusiasts an opportunity to build their stamina, channelize their energies in a healthy way and also hone their physique

## College Website : [www.canaracollege.com](http://www.canaracollege.com)

The College has an updated website which disseminates information pertaining to institutional details, programme-wise details, activities held in the College, upcoming events, etc., so as to keep its stakeholders abreast about the happenings in the College.

## e-Attendance Monitoring System

As a proactive remedy to instill discipline amongst the students and thereby act as a watchdog in continuously monitoring their attendance, there is an exclusive system which monitors the irregularities and absenteeism of the students through e-Attendance Monitoring System.

## SMS Service

With a view to ensure quick dissemination of information and communication, the College has the facility of sending messages through SMS services. Short messages regarding important notice, meeting, test marks, attendance status, absent message, reminders, etc., are sent.

## Mentoring, Counselling, Student Welfare and Support

Each class is accorded with a designated Academic Class Mentor. They act as a friend, philosopher, guide, counselor and a mentor to each student with a view to ensure students welfare and support. They keep a close watch on the student's punctuality, regularity, attendance, conduct, behavior and their constant progress.

# ...Connecting the Dots...

## Skill Enhancement and Personality Development Initiatives

Skill enhancement and personality development initiatives are initiated to actualize the inert potential of every learner besides their scholastic areas so as to churn them to the employable needs and above all boost success in their respective careers ahead. With this idea, the College provides ample opportunities through a array of skill enhancement activities initiated by various Associations and Clubs. Co-Curricular and Extra-Curricular activities are an integral part of the evaluation as per the semester scheme.

## Career Guidance, Training, Internships & Placement Initiatives

While academics are the mainstay of the educational system, it is equally imperative to look at it from the long term perspective of building a career to support the learning. This is what we, at Canara aim to assist each student in exploring placement opportunities by inviting various companies for campus recruitment of students who are in the final year of the program and are likely to graduate at the end of the academic year. These initiatives are the result of continuous Industry-Institute-Interface and career counseling of the students. The eligible students are also updated and deputed to the seats where recruitment process is held. In addition to this, we also promote entrepreneurship and self-starting environment to the students and keep motivating them towards innovation and development.

The placement initiatives at the institute are carried out by the Training and Placement Cell coordinated by Training and Placement Coordinators.

## Graduating Attributes

Each student joins us from different educational backgrounds, cultures and experiences. While studying at Canara we expect our students to broaden their horizons and attitudes, and to develop their current skills and abilities and learn new ones, not only to help in their studies and future careers, but also support their role within society.

With a focus to prepare our graduates as agents of social good in an unknown future; each of the qualities is aspirational and has indicators which serve as a guide to their development. Thus, we have developed a list of Graduate Attributes which we endeavor to imbue in our students throughout the course of their studies.

1. An enquiring intellect
2. An empowered graduate
3. A dynamic professional
4. A well-rounded individual
5. An engaged citizen

Our graduates have attained success in their careers and we look forward to seeing you also contribute to the world of future.

# General Code of Conduct and Compliance

With a view to ensure smooth functioning of the Institution, the students are expected to observe the general rules of discipline and are bound to abide by the regulations which the Management may frame from time to time and also those which are stated in the College Handbook. Without being exhaustive, following do's and don'ts are mandatory on every student.

1. The College timings are as follows :

Monday to Friday - **9:30 AM to 12:25 PM and 1:15 PM to 4:10 PM**

Saturday - **9:30 AM to 12:25 PM.**

2. Students are expected to dress in a decent manner and shall strictly observe the uniform dress code prescribed by the College. Students shall wear uniform on all working days.
3. With a view to promote professional etiquette and modesty in grooming, the College insists upon clean shaving to boys. Peculiar hairstyles are strictly prohibited. Girls are not permitted to attend classes with dark lipsticks and colored hair. Non-compliance to the same will attract disciplinary actions.
4. It is mandatory for all the students to wear the Identity Card within the campus and shall produce it whenever asked for, especially when dealing with the office and library.
5. Students are expected to maintain highest standards of discipline and conduct themselves well both inside and outside the campus.
6. Ragging is absolutely banned in and around the campus. Moreover, Ragging is a cognizable criminal offence and those who indulge in it or encourage it will be handed over to the law.
7. The students are required to improve and maintain consistency in their performance in the University / College examinations to secure admission in the consecutive year.
8. Irregular attendance, habitual neglect of class work, in-difference in regard to examination, habitual late arrival, disrespect or discourtesy towards faculties and staff members, obscenity in word or act, willful damage of College property, involvement in anti-social activities, etc., are liable for disciplinary actions which include expulsion from the College.
9. Attendance on the reopening of the College after the vacations, attending College Assembly, Special Occasions, Celebrations, Association meetings, Co-curricular / Extra-curricular events, Industrial / Field Visit, Viva-Voce, Tests, Examinations, etc., is obligatory to all the students.
10. Students must refrain themselves from smoking, use / consumption of tobacco in any form, alcohol and drugs.
11. The Principal and the Management reserves every power to rusticate a student from the College if the student is found guilty of any serious misconduct or breach of College rules and regulations or the presence of such student in the College disturbs order and discipline.
12. The College does not hold itself responsible for the conduct of the students outside the campus unless such a conduct arises out of his / her College life. However, the College takes cognizance of any serious misconduct of the students committed outside its campus. If any serious charges are fairly substantiated, the guilty shall be punished accordingly to the gravity of offence.
13. Using of cellular phones inside the College building, classroom, Laboratories, Library, and Reading Room is strictly forbidden. If any student is found using cellular phone, it will be confiscated and fined.
14. Any attempt made to tarnish the name of any person in any form on a social media (such as Facebook, WhatsApp, e-mail, Instagram, Twitter, SMS, etc.) is a serious punishable offence under Cyber Crime. Defaulters will have to face legal consequences and dismissal.
15. College is a temple of learning, hence will not entertain any religious affiliation to come in the way of institutional discipline and its functioning. Also it will strictly follow and adhere to the common College timings.
16. A student shall be considered to have satisfied the requirements of attendance for a semester if he / she attends not less than 75% of the number of classes actually held up to the end of the semester in each of the subject. Failing to put in a minimum of 75% of attendance even in one subject will lead to losing of the eligibility to appear for the University Semester Examination and shall seek readmission to that semester in the subsequent year.
17. Students who do not live with their parents or guardian must live in the hostels or in lodging approved by the Principal.
18. In the absence of classes, students shall not loiter in the campus. Instead they are expected to spend their time fruitfully in the Library.
19. Without permission of the Principal students shall not organize any activities, events or associate with any group concerned with College.
20. No student of the College shall take part in any campaign, demonstration, political agitation, protest, strike, hartal or stayagraha that is directed against the College, University or Government.
21. Use of explosives, smearing colors, bursting crackers and such other uncommon acts are strictly prohibited in the College campus.
22. Playing, hooting, whistling, producing peculiar noises or shouting inside the College building or in the classrooms is strictly prohibited.

---

University education is a rare privilege and hence consider yourself to be one among the fortunate and privilege ones to attain it.  
Thus, as a potential knowledge seeker, be a responsible partner in enabling us to transform you better with least enforcement of regulations.
